# USING YOUR STRENGTHS TO OVERCOME YOUR WEAKNESSES

1. What is the path to exponential growth? What things should you double down on?

2. What is a weakness? Is there something you aren't good at but isn't causing a problem for you or others?

3. Has your volume dial ever been too high or too low? What does it look like when it is out of tune?

4. What would it look like to view a weakness or challenge through a strength lens?

5. Key components of the “**Stop It**” strategy include:

6. Key components of the “**Together We're Better**” strategy include:
